'Solid support' for five days of railway strikes

A STRIKE by workers at one of the UK's biggest train operators was being "solidly supported" yesterday, causing disruption for tens of thousands of passengers.

Members of the Rail, Maritime and Transport union on South Western Railway will be on strike for five days in a long-running dispute over guards on trains.

Commuters into London Waterloo station were among passengers affected, as well as race goers heading to Royal Ascot. Buses replaced trains on some routes.

RMT general secretary Mick Cash said: "RMT members are standing rock solid again this morning on South Western Railway in the long-running fight for safety, security and access on our trains while the private train company sends out the signal it is prepared to gamble with their passengers well-being in the name of profit.

"RMT has campaigned relentlessly for the principle of putting safety on the railway first and the current stalemate over the safety-critical role of the guard on SWR trains cannot be allowed to drag on any longer."

Euro lotto £123m prize unclaimed

EUROMILLIONS players have been urged to check their tickets after the UK winner of a £123m jackpot failed to claim their prize.

A single ticket scooped last Tuesday's £123,458,008 prize – the third biggest in the draw's history.

It is not yet known whether the winner is an individual or a syndicate.

Operator Camelot said the ticketholder may be unaware they'd won and urged players to "check, double-check and triple-check" their tickets.

The company could only reveal at this stage that the ticket was bought at a National Lottery retailer, rather than online.

MILKSHAKE ATTACKER MUST PAY FARAGE COMPO

A MAN who threw milkshake over Nigel Farage has been ordered to pay the Brexit Party leader compensation after the "politically motivated" attack.

Paul Crowther, 32, launched the £5.25 Five Guys banana and salted caramel milkshake over the ex-UKIP leader while he was campaigning in Newcastle on May 20.

The married former Sky employee has been dismissed following the incident, North Tyneside Magistrates' Court heard.

He admitted assault and criminal damage to a £239 lapel microphone on Mr Farage's suit.

District Judge Bernard Begley, who told Crowther he had carried out an "act of crass stupidity", also handed him 150 hours of unpaid work plus £350 compensation to Mr Farage.

James Long, prosecuting, said: "I suppose for the split second the attack took place, Mr Farage would not know whether it was a harmless liquid or something far more sinister."

He said it was clear from a Facebook posting before the incident that Crowther intended to throw milkshake on the politician.

After his arrest, Crowther told police when he was interviewed that it was a "moment of madness", "a loss of control" and he watched himself do it.

A GoFundMe page entitled Get Paul Crowther his Milkshake Money Back was closed after it reached £1,705.

Liam launches bid to be PM

GIVE ME KEYS TO NO 10: Liam fancies PM job ahead of *(below)* Boris Johnson and Rory Stewart

By JAYNE FERGUSON

news@sundaysport.co.uk

FORMER Oasis frontman Liam Gallagher reckons he should be the next Prime Minister, vowing that he will "sort this pile of shit out".

Writing on Twitter, the musician referenced his second solo album, *Why Me? Why Not*, appearing to use its name as a campaign slogan.

He tweeted: "My name is Liam Gallagher I have 4 beautiful children I have dabbled in drugs over the years I've had many number 1s now send me the keys to no10 I'll sort this pile of shit out WHY ME? WHY NOT."

Voting

The comment from the 46-year-old, whose album is set for release in September, comes as Boris Johnson, Rory Stewart and other candidates faced a fresh round of voting in the Tory leadership race yesterday.

The eventual winner will replace Theresa May as PM.

Gallagher followed up the initial tweet with another reading simply: "ParLIAMent c'mon you know."

Asked what he would do first in power, Gallagher said he would reform Oasis, the band he founded with his brother Noel.

"Get Oasis back together I'd make it law," he tweeted.

The reaction from many to Gallagher's apparent late entry into the leadership race has been encouragement.

"Liam for PM!" replied user @jjiimmyygg79.

And @foolsgoldbella wrote: "You'd be better than any politician."

Megadeth axe tour in big C scare

MEGADETH have cancelled most of their upcoming tour as singer Dave Mustaine has treatment for throat cancer.

Mustaine announced his diagnosis on the metal band's website, but said he was optimistic about his treatment plan.

"It's something to be respected and faced head on – but I've faced obstacles before," he said.

"I'm working closely with my doctors, and we've mapped out a treatment plan which they feel has a 90% success rate. Treatment has already begun."

Although the majority of Megadeth's tour dates have been cancelled, the "Megacruise" will take place as scheduled in October "and the band will be a part of it in some form", Mustaine wrote.

Billed as "five days and nights of heavy metal decadence and debauchery," the cruise features concerts and meet-and-greets with the band.

Heathrow 3rd runway plan

HEATHROW Airport will construct a third runway by 2026 and complete its expansion by 2050.

The plan includes diverting rivers, moving roads and rerouting the M25 through a tunnel under the new runway.

Heathrow's expansion has faced fierce opposition, but the airport says it has engaged with local communities and other stakeholders.

The proposals are now open to public consultation until 13 September.

The "masterplan" is illustrated in a visualisation from the architects, showing the M25 running in a tunnel underneath the new runway.

It proposes a staggered approach with the new runway to be built in the first phase by 2026, with the rest of the airport infrastructure – including new terminals and access – to be complete by around 2050.

EX-UEFA BOSS PLATINI ARRESTED

FORMER UEFA president Michel Platini has been detained for questioning by French police over the awarding of the 2022 World Cup to Qatar.

Platini, 63, who has never denied voting for Qatar but has always rejected any claims of wrongdoing, was detained in a suburb of Paris yesterday morning.

The Parquet National Financier has been investigating the 2010 decision to stage football's biggest tournament in the small but wealthy Gulf state for three years.

Qatar beat bids from Australia, Japan, South Korea and the US in a vote by the executive committee of world football's governing body FIFA.

More than half of its 22-man panel have now been accused of receiving bribes.

Platini was head of European football's governing body until 2015 when he was handed an eight-year ban over ethics breaches, that was later reduced to four years on appeal.

The ban expires this October and he has previously suggested he intends to return to football politics.

Platini and former FIFA boss Sepp Blatter were banned for eight years by FIFA's ethics committee in 2015.

LOVE ISLAND SENSATION: FANCY GETTING INTO MAURA'S SMALLS?

UP FOR GRABS: Maura shows off sexy outfits

LOVE *Island* sexpot Maura Higgins has been flogging her used smalls for as little as £9 on online marketplace Depop.

The 28-year-old stunner has an impressive five star rating and has amassed 54 reviews during her time on the site, where she can be seen modelling a large collection of outfits.

Sexy all-one undies and clingy close-fitting bikinis are among the items for sale.

Items vary in price from as low as £9 to as high as £89 for a stylish floral dress.

By GRACE HOOPER
news@sundaysport.co.uk

Many of Maura's items have only been worn once, with the stunner clearly keen to keep her wardrobe fresh.

But flogging her smalls is not the sexiest thing Maura has done.

Flirty

She shocked viewers with her naughty language during a date with Tommy Fury.

The Irish beauty wasted no time letting boxer Tommy – brother of heavyweight fighter Tyson Fury – know that she found him attractive, showering him with compliments and sharing flirty banter.

Before getting to know the 20-year-old, she said to fellow new girl Elma Pazar: "They look so f**king fit.

"I'm having fanny flutters, I'm not joking."

When the Essex girl commented on Tommy eating in the kitchen, Maura cheekily said: "I wish he was eating me."

As Maura and Tommy got to know each other over a cheese sandwich, the ring girl asked if he'd kissed Molly-Mae yet.

When she learned he hasn't, she playfully told him: "I would have jumped on that."

LOVE ISLAND UNDER FIRE

OFCOM has received 1,215 complaints about *Love Island* in the last four days.

Maura Higgins' advances towards Tommy Fury on Friday night's show got viewers cross, after she tried to kiss the boxer several times despite him moving his face away from her.

There were also complaints about the treatment of Lucie Donlan by other contestants, including partner Joe Garratt.

Fans on social media accused Joe of being too controlling towards the blonde (*right*).

Ofcom said it "will assess the complaints".

Mel B: I'm upset over Posh snub

MEL B has revealed she is disappointed and upset that Victoria Beckham did not turn up for the final Spice Girls shows last week.

Melanie Brown, 44 – along with Geri Horner, Melanie Chisholm and Emma Bunton – concluded the girl group's reunion tour with three concerts at London's Wembley Stadium last week.

There had been high expectations from fans and the band members that Posh Spice Victoria, who opted out of the tour, might attend one gig as a show of support.

Mel B told ITV's *Good Morning Britain*: "I expected her to come and just say 'Hi' at least... just as an audience member supporting."

Asked why Beckham had not attended a show, she said: "I don't know, I'm sure she has her reasons. I was upset – I still am.

"But it is what it is.

"We're all adults – we have to respectfully get on with whatever.

"But it is a bit disappointing… let's put it that way."

Banana man jailed after for robbery

A MAN who robbed a bank while holding a BANANA has been jailed.

Laurence Vonderdell, 50, from Bournemouth, threatened a cashier at a branch of Barclays while pointing the fruit, which he had covered with a plastic bag.

Police said he shouted: "This is a stick-up! Give me the cash," before then walking away with £1,100 in £20 notes.

Vonderdell handed himself in at a nearby police station shortly after.

At Bournemouth Crown Court he admitted robbery and possessing an imitation firearm and was caged for 14 months.

A police source said: "This must still have been a very distressing incident for the cashier involved."

BELLYACHING snowflakes won another victory earlier this month when busybody prodnoses banned adverts featuring "harmful gender stereotypes".

By GRACE HOOPER
news@sundaysport.co.uk

The ridiculous ban covers scenarios such as a man with his feet up while a woman cleans, or a woman failing to park a car.

The UK's advertising watchdog – the Advertising Standards Authority (ASA) – introduced the ban because it found some portrayals could play a part in "limiting people's potential"… and because it's stuffed with joyless box-ticking automatons who take the Guardian newspaper as their Holy Bible.

The ASA said the review had found evidence suggesting that harmful stereotypes could "restrict the choices, aspirations and opportunities of children, young people and adults and these stereotypes can be reinforced by some advertising, which plays a part in unequal gender outcomes".

SEX CULT WAS 'LIKE HORROR MOVIE'

Closing statements in slave trial

BUNCH OF CULTS: Raniere (*left*) and Mack

A SEX cult whose leader is accused of holding a woman hostage and having others branded with his initials carried out his crimes in a "horror movie" reality, a prosecutor claimed during closing statements.

Keith Raniere, 58, is on trial in New York facing charges including racketeering, sex trafficking and child pornography.

Prosecutors said he used his organisation, called NXIVM – which billed itself as a self-help group – to hide young women who were blackmailed into sex and made to follow restrictive diets.

"The closed doors of these cookie cutter houses may seem straight out of a horror movie, but for the defendant's victims, it was all too real," Assistant US Attorney Moira Penza said as she showed pictures of the Clifton Park, New York, neighbourhood where the cult operated.

Penza showed photos of houses where witnesses said Raniere sexually assaulted a female NXIVM member, where another woman was branded with his initials and a young woman, called Daniela, was confined in a room for nearly two years under threat of being sent back to her native Mexico.

Raniere, who could face life in prison if convicted, has pleaded not guilty. His defence lawyer Marc Agnifilo told the jury at a federal courthouse in New York's Brooklyn not to accept that Raniere was responsible for everything NXIVM did.

Raniere's "slaves" were forced to hand over compromising information about themselves – often including nude photos and embarrassing confessions, prosecutors say.

Other members of the cult include *Smallville* actress Allison Mack, who pleaded guilty to crimes has not yet been sentenced.

‘Peeping Tom sex toy thief’ will face trial

A MAN has pleaded not guilty to 13 offences, including voyeurism, outraging public decency and stealing SEX TOYS.

Pawel Relowicz, 24, of Hull, denied all charges against him when he appeared at Sheffield Crown Court yesterday, and will now go on trial in August.

Relowicz is charged with four counts of voyeurism, three of outraging public decency, five of burglary and one of handling stolen goods.

The details of the charges allege that he watched four different women “doing a private act” for his “own sexual gratification”, he masturbated in public on three streets in Hull, he stole items including sex toys, condoms, clothing, photographs, cash and electrical items from five homes in Hull, and handled a stolen mobile phone.

The charges span a time period from July 23, 2017, to January 28 this year.

Judge Jeremy Richardson QC remanded Relowicz back into custody and told him: “You have pleaded not guilty to the final form of the indictment.

“You will be tried by a jury before me at this crown court, starting on August 12, 2019.”

HAS THIS MAN GOT THE WORST JOB IN THE WORLD?

Reg rinses out synthetic MINGES

THINK your job is shit? Then spare a thought for Reggie Brown, who earns a crust cleaning SPUNK from the synthetic minges of clapped-our sex dolls.

By JAYNE FERGUSON
news@sundaysport.co.uk

Reggie runs Galmato Haven, a sex doll repair service based in San Marco, California, which is capitalising on the growing market by offering the “ultimate treat” for users and their plastic companions.

For £1,500, he offers the dolls a “spa day” – where the rubber women are rinsed out and refitted with new minge gaskets.

Porn

He also brushes matted jizz from their hair and mends any scrapes.

Reggie featured on the C5 documentary *Me and My Sex Dolls*, screened on Monday night.

The show was the first episode of the new Sex Business series, a three-part docu-series looking into the oddest corners of the sex industry.

Also shown in the episode were porn stars, including gorgeous Harmony Reigns, having their mingeparts closely photographed so their vaginas can be accurately synthesised in the factory for fitting onto sex dolls.

On the show, several men admitted preferring nookie with AI sex dolls to engaging with real women, including one who said he would be leaving money in his will to his collection of elvish dolls.

“I don’t think it’s fair to bury them with me, it’d be like burying your sister or your girlfriend, I couldn’t do that to them, it’d be like killing them,” he said.

Meanwhile, a man called Shaun – who claims to have no problem ‘picking up women’ – had sex with one of the dolls on camera, as ‘a bucket list sort of thing’.

The show – which even featured SPUNK dribbling out of one sex doll – shocked many.

“Right, I’m off to bleach my eyeballs,” one viewer commented online.

HOLLY’S SEX DOLL HORROR

RELIEVED: Holly and co-host Phil

HOLLY Willoughby was left HORRIFIED when she found out fans could ask a sex doll company for a kinky replica of HER.

But the 38-year-old telly babe was relieved when the kinky doll makers revealed they would refuse to do it, as they discussed the life-like mannequins on yesterday’s *This Morning*.

Jade Stanley – who runs the business that makes the custom creations – revealed they sometimes design dolls based on people’s late partners.

A shocked Holly asked: “I imagine you have to check that the photo isn’t of someone who wouldn’t want this to happen?”

Jade told her: “Oh no, you would have to have permission to have the exact person.

“If someone asked me to make one of you, Holly, I can’t do that.”

Miffed

Holly responded: “Thank God for that!”

Co-host Phillip Schofield was left a bit miffed when he discovered no-one had asked for a doll like him.

Jade joked: “I’m so sorry, Phil, I haven’t been asked that yet. But I bet I do after this show!”

Those watching at home loved Holly’s reaction and immediately took to Twitter to discuss it.

One person said: “Holly is so relieved she’s not being made into a sex doll.”

A second added: “Phil looking into the camera – then when holly was relieved this woman couldn’t make her into a sex doll.”

Blue star ready to Rip It Up

LEE Ryan will be putting on his dancing shoes and grabbing the mic later this year in a new '70s-themed jukebox theatre show.

The Blue star *(above)* will tread the boards alongside Louis Smith, Rachel Stevens and Melody Thornton in *Rip It Up The 70s*, which will bring to life the soundtrack of the decade through music and dance.

Songs from artists including David Bowie, The Rolling Stones, Elton John, Abba, Blondie, Rod Stewart and Gloria Gaynor will feature in the show.

The tour follows the successful runs of *Rip It Up The 50s* and *Rip It Up The 60s*, in which Olympic gymnast Smith also appeared.

Ryan, who was in *Strictly* last year, said: "The chance to sing so many classic '70s songs in this amazing new production is something I'm very much looking forward to."

'Shared' vid showed pupils bonking in loo

A 15-YEAR-OLD schoolboy has been charged after a video was allegedly shared showing pupils having sex in a campus toilet.

Parents said the mobile phone footage spread across social media groups just hours after it was allegedly shared.

Staff are understood to have alerted cops to the scandal which rocked an unanmed secondary school in East Dunbartonshire.

One disgusted parent said: "It was all over the school within a few hours. Parents started to get wind of it, but I don't think they believed the rumours.

"It's bad enough that this sort of thing is going on during school hours in the toilets, but the fact it's claimed it was then filmed and shared is unbelievable.

"As soon as the staff picked up on it they called in the police, who acted really quickly and a boy was nicked."

It's understood the charge relates to the cubicle clip's distribution.

Fuck u and the power u think you have over me. I'm gonna write about this in my next book😡😡😡

PERT Bella Thorne has released her own topless selfies after being threatened by a hacker.

The 21-year-old actress decided to "take the power back" after an unknown person messaged her a series of her own topless photos and videos after hacking her phone.

Sharing a screenshot of the conversation, with the hacker's phone number on display, it can be seen that the individual sent the one-time child star a topless mirror selfie and the message: "Wya [where you at] smh [shake my head]".

They then followed up with: "YO BELLA!!!" – to which the former Disney star replied: "Feels so weird someone I don't know looking at my personal s**t."

Sick

A second screenshot shows more photos and videos of the beauty alongside the message: "Got all the videos."

Accompanying the grabs, Bella wrote: "I feel gross, I feel watched, I feel someone has taken something from me that I only wanted one special person to see.

Bella concluded the empowering message with: "Oh yeah, the FBI will be at your house shortly so watch your motherf***ing back."

She captioned the three images: "F*** you and the power you think you have over me. I'm gonna write about this in my next book."

HARRY HATE NAZI IS CAGED FOR 4 YEARS

A FAR-RIGHT teenager who branded the Duke of Sussex a race traitor in an "abhorrent" online post has been locked up for four years and three months.

University student Michal Szewczuk created an image of Prince Harry with a pistol to his head against a blood-spattered background.

The picture, also featuring a blood-smeared swastika, was shared on a far-right social media platform in August last year – just a few months after Harry married mixed race actress Meghan Markle.

The post included the phrase "See Ya Later Race Traitor".

Szewczuk *(right)* was ordered to be detained in a young offenders' institution after pleading guilty to two counts of encouraging terrorism and five counts of possession of terrorist material, including the White Resistance Manual and the Al Qaeda Trading Manual.

The 19-year-old, of Bramley, west Leeds, also wrote an "extremely violent and aggressively misogynistic" blog which attempted to justify the rape of women and children in the pursuit of an Aryan race.

Szewczuk was sentenced at the Old Bailey alongside 18-year-old Oskar Dunn-Koczorowski, from west London, who was given an 18-month detention and training order after admitting two counts of encouraging terrorism.

Judge Rebecca Poulet QC said the pair promoted the extreme violent ideology of right-wing groups inspired by racist and anti-Semitic neo-Nazism.

Prosecutor Naomi Parsons said the posts, made across three accounts by the two youths, "convey a message of the threat of and/or use of serious violence against others, in order to advance a political, ideological and racial cause (neo-Nazism) and in this way encourage terrorism".

Dunn-Koczorowski was just 17 at the time of the offences.

MILF COP WATCHED STEPMOM PORN BEFORE SUCKING OFF TEEN

FILTH FAN: Shauna Bishop

By BRAD CHADWICK
news@sundaysport.co.uk

A FEMALE cop charged with seducing a pal's 16-year-old son told him: "I fked you because I was turned on my stepmom porn."**

Randy Shauna Bishop started frothing at the gash when she watched videos of the filth genre – where MILF porn stars have sex with youthful-looking men playing their part of their stepsons.

Bishop, 45, a sheriff's deputy in Sacramento, California, faces four counts of unlawful sexual conduct with a minor, and another of molestation.

Court files provided graphic details of the alleged acts that took place inside the home where the boy lives with his mother.

Bishop once dated the boy's father and became friendly with the mother after breaking up with him.

Marijuana

The boy's mum asked Bishop to speak to him about his drinking and marijuana use.

By the time that discussion ended it was midnight and Bishop decided to spend the night – sharing the mum's bed.

But the lad said Bishop came into his room.

He told cops: "After my mom and Shauna talked to me that night, Shauna came into my room and brought me a glass of water.

"She had one knee on my bed and gave me a hug.

"Then she started kissing me. While she was kissing me, she was touching my side and I was touching her back and then her legs.

"Then she moved from touching my side, to my thighs, and began rubbing my penis while she was kissing me.

"We only made out for a second, and then I think she heard my mom coming, because she stopped."

The two women left his room, but Bishop returned about two minutes later, court documents say.

"I took her shirt off, and she was kissing me, and then she started sucking my cock," the lad said.

After Bishop gave him oral sex, the two had full intercourse, the documents say.

Afterwards, Bishop performed oral sex on him again, then left "and said something about not telling anyone," the boy told police.

Next day the pair spoke on the phone and Bishop "blamed them having sex on porn".

After police seized her mobile phone, they found "several porn site searches that revealed she viewed 'stepmom, stepson' related videos prior to the reported incident.

Screwed screw looks screwed

A FEMALE prison screw is facing charges after authorities say she had SEX with an inmate.

Amelia Alvarado was arrested and charged with criminal sexual penetration following a statement by a male inmate at the Lea County Detention Center in New Mexico.

The inmate said he impregnated Alvarado while in the jail, resulting in a baby girl.

He reported he'd had sex with her three times at the prison while she worked as a Lea County corrections officer, and even after he was moved to another facility.

A WOMAN who targeted schoolgirls in a series of sex attacks has taunted her victims' families in court.

Emily Sweetland, 21, subjected eight girls and three women to sexual assaults in public places, including at Canterbury West railway station and the city centre's Starbucks shop.

But as she appeared in the dock for sentencing at Canterbury Crown Court, she smirked as she heard one of her victims now wets the bed and others are receiving therapy.

The former Greggs worker – who prefers to be called Elliot – even screamed at the mother of one victim: "You wait until I'm out! Just wait until I'm out!"

Threatened

Judge Mark Weekes threatened Sweetland with contempt of court before ordering her down to the cells during the hearing.

He then apologised for having to delay sentencing as police had failed to obtain impact statements from victims.

Addressing them and their families, he said: "I think the police officer in the case owes you an apology.

"I would like to offer you a huge apology from the court for wasting your time and your emotions."

Sweetland, of Ramsgate, has admitted carrying out 11 sex attacks in the space of four days across Canterbury and Thanet.

She approached one of her victims – a 13-year-old girl – in Starbucks and put her hand up her skirt.

The terrified victim said: "She came and sat down near our table and pulled up a chair.

"We thought she was a man, and we felt uncomfortable so got up to leave.

"As I stood up she put her hand up my skirt. I just screamed and we ran off."

The first of the attacks happened in Minster, Thanet, on April 3, when two teenage girls were touched sexually without their consent.

Two days later, in Canterbury, five girls aged between 12 and 15, and a woman, were attacked by Sweetland.

She was arrested on April 6, following sexual assaults in Ramsgate on three more victims – two women and a 13-year-old girl.

Sentencing is due later this week.

Working class suicide warning

WORKING-class men in deprived areas are 10 times more at risk of suicide than those in the most affluent areas.

St Helens North Labour MP Conor McGinn called for more to be done to improve the mental health of young men in more deprived areas, and said class and community should be recognised as "key factors" in why people take their own lives.

Speaking in the House of Commons, Mr McGinn said: "St Helens has the highest rates of suicide in the country and three-quarters who took their own lives are men.

"Working-class men in deprived areas are 10 times more at risk than those in the most affluent areas.

"Will you recognise class and community or poverty and place as key factors in male suicide?"

MIDWEEK Sport ALWAYS HOME OF TOPLESS BABES

STUNNING Anastasia Harris is one kinky lady – she once had a threesome that involved rubber gloves, handcuffs and a Twix bar!

The 32D brunette beauty, from Portsmouth, says she pulled another girl with her fella in a nightclub and then took her home for some seriously saucy action.

Revealing just what she got up to, the 27-year-old stunna said: “I had a threesome once, and it was brilliant.

“I went out with a guy I know and we ended up picking up a girl.

“It was great fun – and the guy had a smashing time, too.

“We just picked a girl out of a crowd in a bar and asked her if she fancied joining us – and she was well up for it.

“Me and the girl had a play around with a Twix, then we both had sex with the guy.

“It was playful and we were all being silly and having fun – there were handcuffs and a pair of rubber gloves involved at one point, too!

“My man said it was the best night he’d ever had!

“I’d only ever have a threesome with a girl and a guy, or two girls. I’ve no interest in having one with two guys.

“I’d love a two-girl threesome. That’s next on my tick list!”

RANDY MISS HAD SEX WITH TEEN IN MIDDLE OF CLASS

FLIRTY TEXTS: Frechette

By JAYNE FERGUSON

news@sundaysport.co.uk

A TEACHER who gave one of her underage students a blowjob inside a classroom has been jailed for nine months.

Jennifer Frechette, 46, pleaded no contest to sexual assault, fourth-degree sexual assault and two counts of risk of injury to a minor under the age of 16.

The victim eventually told police that he and Frechette had been flirting by text messages.

He said this led to Frechette performing oral sex on him on a couch in her classroom in New Haven, Connecticut, in December 2016.

Condoms

In addition, two security guards told cops that on January 5, 2017, they heard noises behind a clothing rack in the middle of a dressing room used for school plays.

They saw a boy, later identified as the victim, stand up from behind the costume rack.

After he ran out of the room, the guards heard rustling behind the costume rack, where they said they saw Frechette sitting on the floor in a fetal position, as if "trying to hide".

They also spotted several unused condoms on the floor.

Frechette reportedly told the guards nothing had happened with the boy. But she also reportedly said several times "I don't know what I was thinking" and "I'm going to lose my job".

She also told the guards she was married and had a family.

The victim did not appear in the courtroom when Frechette was sentenced, but he provided a written statement, which was read aloud.

He said: "I thought I knew what I was doing but now that I'm older, I know that I did not, and I was taken advantage of.

"This experience has drastically changed my life. I walk around with a title on my head as 'the kid who had sex with the teacher'.

"I laughed about it on the outside but inside I felt hurt and regret. I've been called several names, such as 'dirty', 'disgusting' and several more."

Frechette resigned from her job.

Cheers! Camra boozers to get cut-price beer

AROUND 190,000 members of a national real ale group will get cut-price beer at pubs under an overhauled voucher scheme.

The Campaign for Real Ale (Camra) said its boozers will receive £30 worth of vouchers, each worth 50p off a pint, to replace a previous partnership with Wetherspoons.

The new scheme will cover nearly 1,500 pubs in four chains – Wetherspoons (880), Stonegate (480), SA Brains (100 in Wales) and Castle Rock Brewery (23 in Nottingham).

Camra chairman Nik Antona said: "Regular pub visits can be an expensive activity for many of us and we hope that, by partnering with more pubs both large and small, we can help get people out to their local."

LOVE Island... we love it!

Well, actually, we don’t.

But our excitable womenfolk force us to watch the parade of overexcited numbskulls dicking about in a villa like vermin on Viagra.

That said, the ladies on the ITV show are very easy on the eye.

With temperatures on the holiday island of Majorca soaring, the contestants have pulled out their swimsuits and the ladies are wearing bikini bottoms that scarcely contain their sopping slots – while completely exposing their bum cheeks.

Today, we celebrate the bare-arse bikini with four pages of the best beach bums you’ll ever see!..

School Miss 'gave student sex and booze'

A SUPPLY teacher has been charged after she allegedly had sexual encounters with a high school student and gave him booze.

Alexis Boberg, 25, turned herself in to police after a student reported her for engaging in sexual activities with him and for providing him with alcohol.

Boberg has been charged with two counts of fourth-degree sex offence for having a sexual contact with a person while in a position of authority and with consuming alcohol on public property.

She and the student allegedly had numerous meetings away from school grounds.

Police allege that during those encounters, Boberg and the teen engaged in sexual activity.

After school officials learned of the allegations on June 4, they fired Boberg.

A judge has barred Boberg from having any more contact with the teen.

Dr Thomas Bower was at the BrewDog bar on Westgate Street in Cardiff when he tried to order a Pink IPA, which was launched in 2018 to highlight the gender pay gap and sold to women for a reduced cost of £4.

But the 27-year-old was refused by the bartender on the grounds that he was male and offered the Punk IPA for £5.

He successfully claimed for damages and an apology for 'direct discrimination and breach of the Equality Act 2010'.

BRUTAL SLAYING: Melanie was stabbed 26 times

SOLVED BY CSI

THE MELANIE ROAD MURDER

FORENSIC science is more important than ever in the world of crime-solving.

Traces of unidentified DNA or mystery fingerprints are now held indefinitely by investigators, hoping that one day they will prove to be the final piece of a jigsaw.

And it works, too – sometimes in breathtaking ways – looking at murders that, despite taking years to solve, the brilliant, painstaking work of police and forensics experts were able to finally lead the perpetrators to the prison cell.

Today, we look at a brutal killing that took three decades to solve...

By JUSTIN DUNN
news@sundaysport.co.uk

ON the face of it, Christopher Hampton led a life which appeared completely normal.

But deep, deep underneath his everyman painter and decorator facade, he had carried a dark, horrific secret.

Almost exactly 35 years ago in 1984, he brutally raped and stabbed a 17-year-old girl to death as she walked home from a night out with friends.

And his deadly secret would remain just that for more than three decades – until he was nailed through a slice of good luck aided by forensic science.

Hampton, then aged 32, was living in Bath – the city where he was born – with a girlfriend.

He had separated from his first wife, with whom he had three of his four children, and was living in Broad Street.

Unfortunately for his victim – teenager Melanie Road – Broad Street is likely to have been on her route home on 9 June 1984.

The cold, calculated murder and sexual brutalisation of the teenager completely ripped her family apart and went unsolved for nearly 32 years.

Melanie lived in the Lansdown area of Bath with her parents, Jean and Anthony Road.

On 8 June 1984, they drove their daughter into the city centre to play tennis.

It would be the last time they saw her alive.

After socialising in Bath until about 1.30am, Melanie parted from her friends and set off on her usual walk home under a mile away.

Screams

Her route took her past Broad Street where, unknown to her, Hampton was lurking.

Kate Brunner QC, prosecuting, told Bristol Crown Court in 2016 that at around 2am a woman in bed and awake in nearby Camden Road heard screams through her open window, as did others.

Miss Brunner said: "Two people also report hearing a strange sound from a man in those early hours.

"One woman heard the sound of a man bellowing, she thought in remorse or regret, near Camden Crescent.

"Another described loud howling and wailing, as if whoever it was had seen or done something dreadful."

Around 5.30am a milkman, with his 10-year-old son, found Melanie's body in a pool of blood in St Stephen's Court, a cul-de-sac just 200 metres from her home.

Her blood-stained knickers were found nearby.

Semen was found on her clothes, body and mouth, the court heard.

She had been stabbed 26 times, with seven individual punctures to her right breast. She had bled to death.

Police established it was likely the assault began in St Stephen's Road, from where a trail of her blood continued around the corner to a large pool where her body was found.

It appeared Hampton stabbed her while she was dressed, removed her clothes and sexually assaulted her before re-dressing her with all but her knickers.

He was bleeding when he left the scene towards his home, Bristol Crown Court heard.

But after carrying out that horrific crime, Hampton simply carried on with his life.

He continued in his trade as a self-employed painter and decorator, carrying out commercial contracts, before leaving the area and moving to Bristol in the 1990s.

Weapon

He split up from the girlfriend he was living with at the time of the murder, eventually settling down again and remarrying.

He went on to have another child, leaving him with three daughters and a son – all of them completely unaware of his murderous past.

One thing that left detectives particularly puzzled is that during Hampton's then 64 years, he had never come to the police's attention in any way at all.

He appears to have led a completely ordinary life and has not been linked

UNKNOWN MOTIVE: Hampton never said why he killed Melanie

MURDER SCENE: Melanie 's body was found lying in pool of blood

to any other crimes, either before or after the killing of Melanie.

Police have been unable to find any personal links between Melanie and Hampton – and with the killer refusing to answer any questions about what happened, no witnesses and no trace of the murder weapon, it is hard to know exactly what happened.

Little else is known about Hampton because, to this day, he has not told detectives a thing.

From 2009, Detective Chief Inspector Julie McKay headed the police inquiry.

She said Hampton had shared nothing and showed no remorse. The situation, she said, would seem bizarre to an onlooker.

DCI McKay said: "He had been leading a normal life, with a job, a family and a car.

"We have explored every hypothesis and we still don't know why he did this."

She added: "I think it must have been opportunistic. We have not found anything to suggest he knew her."

During police interviews, Hampton refused to comment on most of the questions put forward by detectives.

He had a prepared statement, read by his solicitor, which merely said: "I did not kill or rape Melanie Road."

"He was a normal man leading a normal life with his family afterwards," declared DCI MacKay.

"I don't know anything about him. He has never spoken to me. I have no idea how his conscience allowed him to do this."

The breakthrough came when crime investigator Gary Mason contacted Hampton and organised the collection of a DNA swab in June 2015.

A "familial match" had been made between DNA taken from Hampton's daughter after a minor, unrelated offence, and samples collected by crime investigators at the scene of Melanie's murder.

Evil

Hampton was one of more than 1,000 people who voluntarily had the procedure done during the course of the investigation, and one of hundreds Mr Mason had swabbed hoping for a match in the murder hunt.

Mr Mason met up with Hampton in a car park near a job he was carrying out in South Liberty Lane, Bedminster.

"He approached the car, shook my hand, had a chat and I got him to sign the consent forms," said Mr Mason.

"For a person who clearly knew it was his DNA, he remained extremely calm and showed no emotion at all.

"He gave me the swab. He said he wanted to be notified of the results, we shook hands again, said goodbye and that was it. He stood out no more than anyone else."

Mr Mason said even when the match was confirmed, he was not able to describe to arresting officers what Hampton had looked like, as he was not memorable.

Defending, Brian Altman told Bristol Crown Court that, by pleading guilty, Hampton had spared Melanie's family from a public trial.

Mr Altman said: "He's a man who Melanie's family and friends will quite understandably regard as evil, but whose character either side was otherwise positively good and entirely unblemished."

Sentencing Hampton, Mr Justice Popplewell told him the attack had been "lengthy and brutal" and "for your own sexual gratification".

The judge said: "She was repeatedly stabbed – 26 times in all – with a sharp-edged knife, causing four-inch wounds.

"Eight of the wounds were to her breasts.

"You first stabbed her while she was on her feet on the street on her way home, before chasing her some 30 metres round the corner to the cul-de-sac where she died."

Following the attack, Hampton married his second wife and had a daughter, Amy, and stepson Darren with her.

"You married and had a child and lived your family life for all those years knowing the extreme misery you must have inflicted on your victim's family but you were too callous and cowardly to put an end to their heartache," the judge told Hampton.

"You will very likely die in prison."

LESBIAN TEACHER ROMPED WITH GIRL, 14

Judges hike 'too soft' sentence

By GRACE HOOPER
news@sundaysport.co.uk

A SEX-CRAZED teaching assistant who abused an underage pupil "nearly every day" for two years has had her 'soft' sentence hiked up.

Lesbian Freya Squires, 46, assaulted the vulnerable girl in loos at Tideway High School in Newhaven, East Sussex.

The shamed schoolworker was jailed for 40 months after admitting child sex offences in April.

But the sentence has now been increased after appeal judges ruled it was too soft.

She will now serve four years and eight months behind bars.

Solicitor General, the MP Lucy Frazer QC, said: "Squires was placed in a position of trust, a position that she repeatedly abused.

Abused

"Any mitigating circumstances in her case were not sufficient to justify such a lenient sentence and the Court of Appeal has rectified that."

At her trial in April, the court heard Squires, from Seaford, East Sussex, began having sex with the girl when she was aged 14.

Squires, who was openly gay at the school, began to send messages to the young girl.

They started to meet outside school and this progressed to meeting at Squires' house.

Squires began to have sex with the victim, who is now an adult, "nearly every single day after school".

The girl was abused in the school toilets, the gym toilets, at Seaford beach toilets and at Squires' home.

Squires warned the victim there would be huge consequences if their relationship became public, so the teenager wore a blonde wig when she went to visit her at her home.

The victim's mother had raised concerns about the defendant having "a lot of influence" on her daughter.

Then, after years of keeping quiet, the victim decided to report Squires.

At Hove Crown Court, Squires pleaded guilty to six counts of sexual activity with a child and one count of sexual activity with a child while in a position of trust.

Their relationship was described by Judge Shani Barnes as "unlawful, deceitful and manipulative".

SHOWMANCE: kd and Madonna

SINGER KD LANG DENIES LESBO AFFAIR WITH STAR

MADONNA definitely did NOT have a lesbian fling with singer kd lang.

Canadian singer-songwriter kd, formally known as Kathryn Dawn Lang, has hinted it was all a bit of a "showmance".

kd said she and Madonna benefited from the "lesbian chic" era of the Nineties, but it was nothing more than publicity.

By GRACE HOOPER
news@sundaysport.co.uk

She said: "We shared a publicist."

Asked if the publicist decided to put out those rumours so they could both sell records, kd said: "I don't know the entire story. Maybe."

Icon

She added: "The lesbian chic thing was something that both Madonna and I benefited from.

"I didn't know it was implied we were actually doing it, but Madonna and I never did."

In fact, kd was dating one of Madonna's friends, explaining why they ran in the same circles in 1991.

Now a celebrated gay icon, Madonna hinted at the romance when she said she could easily 'fall in love' with kd.

She told The Advocate in 1991: "There's K.D. Lang, who's gorgeous, by the way. She looks like Sean [Penn]."

Madonna had been divorced from actor Sean Penn for four years at that point.

Madonna told The Advocate she had her first sexual experience at the age of "seven or eight", adding: "All of my sexual experiences when I was young were with girls."

MEGA-BOOBED Clair Meek has a naughty secret – she likes to make her own private PORN films!

The 32G stunna, who is married to *Inbetweeners* actor James Buckley, confessed: "I have filmed myself having sex.

"It is so much fun to watch the footage back. It gets me in the mood to do it all over again.

"The dirtier, the better! Although I don't like the idea of anyone else seeing them."

The Ayr beauty also revealed she thinks her enormous boobs are her favourite body part.

She said: "It's a fact that men go wild for my big boobs.

"I love fondling them myself and licking them to turn a guy on."

But the Scottish sizzler insisted that her ample assets are also a big hit with other babes.

She said: "Girls love them too and every time I go out I get loads of girls who ask if they can fondle them."

Clair also has good news for underendowed fellas – size DOESN'T matter!

She said: "You want to be able to sit down afterwards, I don't like them too big.

"It's a cliché, but really it is true that it's not the size that matters, it's what you do with it that counts!"

FLOAT FREAK: Monnin

Perv thief’s bizarre excuse

By JAYNE FERGUSON
news@sundaysport.co.uk

A MAN arrested for the theft of stolen pool floats told police he used the inflatables for sex instead of raping women.

Christopher Monnin, 35, was charged with breaking into the backyards of homes with pools and stealing flotation devices.

“Defendant stated that he sexually gratifies himself with the pool floats instead of raping women,” the arrest affidavit said.

Monnin was on a bike when cops stopped him in the early hours as a ‘suspicious person’.

They found him in possession of a garbage bag which was full of deflated pool floats, the affidavit said.

Palm Bay, Florida, has been plagued by the theft of pool floats, with more than a dozen reported burglaries in the past seven months.

In some cases, the thief cuts a screen door to gain access to the pool area.

The affidavit stated that police found approximately 75 pool floats in a vacant house, where Monnin admitted to stashing them.

He was arrested on charges of burglary, criminal mischief and theft and was booked into the Brevard County Jail on a £10,000 bond.

In connection with one of the burglaries, Monnin was accused of stealing a bacon-shaped pool float.

Frozen-for-life firm sued over cremated body

THE son of a dead scientist is suing a cryogenics firm saying the laboratory wrongly cremated his father's body and only preserved his HEAD.

As part of his dying wish, scientist and cryonics enthusiast Laurence Pilgeram agreed to pay Alcor Life Extension £95,000 to cryogenically preserve his body at -196 until a time when technology may be able bring him back from the dead.

But his son, Kurt, said he was stunned in April 2015 – a month after his dad's death – when a package arrived at his home containing his father's ashes.

It contained all of Laurence's body from the shoulders down, but his head was not listed as part of it.

Instead, it was removed from his body and placed in a vat of liquid nitrogen in Arizona.

Kurt, from Dutton, Montana, is seeking in excess of £790m in damages from Alcor, and its British-born founder Dr Max More, claiming extreme emotional distress.

Man, 53, caged for autopilot sex with teen

A PILOT has been jailed for seven years after he admitted putting autopilot on during a flight so he could HAVE SEX with an underage teenage girl.

Stephen Mell, 53, was arrested in June last year accused of engaging in sexual relations with a female victim under the age of 16.

He pleaded guilty in May to endangering the welfare of a child with sexual conduct and will be sentenced on that charge next month in Hunterdon Co Superior Court, New Jersey.

In July 2017, Mell flew with the teen in his private plane from Somerset Airport, New Jersey, to Cape Cod, Massachusetts, and engaged in sexual acts on the trip home, with the plane in "autopilot mode".

Mell was also ordered to pay £50,000 in fines.

I've come on the bust!

TRAFFIC came to a standstill as plus size models and body confident bloggers stripped off to brave the British weather.

Women of all shapes and sizes rode atop the London bus through the city, passing famous landmarks including Tower Bridge and Oxford Street.

And members of the public couldn't help but stop and stare as the bus full of lingerie clad stunnas – including 34J glamour babe Lucy Collett, 30 – drove by.

The women were celebrating lingerie brand Curvy Kate's 10th birthday, with many praising the company for ten years of supporting boobs and body diversity.

The influencers wore lingerie sets of all shapes and sizes – some going for the more conventional bra and knicker set, while others stayed a little more covered in stylish bodices.

Some donned comfortable trainers, others 'dressed up' in heels for the trip.

During a typical British downpour, many sheltered beneath umbrellas or on the lower level of the bus.

MURDER SUSPECT BOASTED OF HIDING VICTIM'S BODY:

'No-one will ever know where she is'

SECRETLY TAPED: Christensen *(left)* told girlfriend he killed student *(below)*

By COLIN HURST
news@sundaysport.co.uk

A MURDERER was secretly taped by his girlfriend boasting about killing a foreign student and declaring: "No one will ever know where she is."

Jurors in a death-penalty trial heard secretly recorded audio, in which a former University of Illinois doctoral student describes to his girlfriend how he killed the visiting scholar from China.

The recording of Brendt Christensen was made by his girlfriend when she wore a wire for the FBI as the two attended a campus vigil on June 29, 2017, for the missing scholar, Yingying Zhang, 26.

Christensen was arrested the next day.

Prosecutors at the trial in Peoria, Illinois, have said Christensen posed as a cop to lure Zhang into his car on June 9, 2017, after deciding he would kill someone that day. Her body has never been found.

Christensen is heard telling his girlfriend about choking Zhang after he bound her and brought her to his apartment, appearing to describe with admiration how ferociously she resisted.

"She was valiant," he said.

Christensen raped, choked, stabbed and beat Zhang, then decapitated her, according to prosecutors.

Now 29, he is heard telling his girlfriend he had been eager to tell someone that he killed Zhang – and that he's only told her and that he trusts her.

But Christensen said he wouldn't tell her or anyone else what he did with Zhang's body.

Members of Zhang's family, who had travelled to Illinois from China to join the search, were going to "leave empty-handed", he is heard telling his girlfriend.

"No one will ever know where she is," he says. "She's gone forever."

Defence lawyers seeking to spare Christensen a possible death sentence have told jurors that he did kill Zhang, though they dispute some details from prosecutors about how and why he did it.

The trial continues.

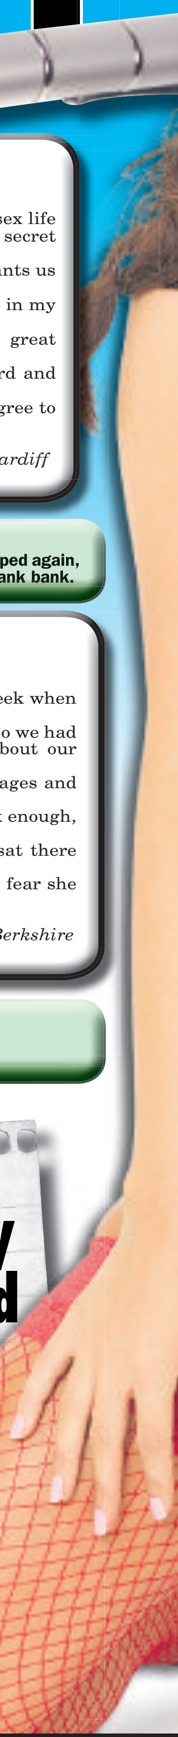
THE WORLD FAMOUS AGONY Page



Dear Kelly,

I'VE been happily married to my missus for five years. Our sex life has been fine up to now but I've just discovered a shocking secret she's been keeping from me.

She suddenly told me last week that she's bisexual and wants us to have a threesome with another woman.

Now I know most blokes would give up a left bollock to be in my position, but I'm not sure I want to go down this road again.

You see, I've tried it before – and although it was a great experience, it ended up backfiring on me.

My ex-girlfriend ended up taking a fancy to the other bird and dumped me to move in with her.

I'm worried that the same thing could happen again if I agree to fulfilling my wife's fantasy.

Any advice?

PK, Cardiff

Kelly says…

YEAH, video it, so if you do end up getting dumped again, at least you've got something to put in the wank bank.

Dear Kelly,

I WAS out with Scooby (my spaniel) in the park the other week when I passed this blonde of about 22 walking her terrier.

Scooby got a bit randy and started sniffing her dog's arse, so we had a good laugh about it and then started a friendly chat about our naughty pets.

Then, out of the blue, she said she hadn't had a man for ages and asked me back to hers for a shag.

I was well up for it and couldn't get back to her place quick enough, where we headed for the bedroom.

But the trouble is I couldn't come because her dog was sat there watching from the end of the bed.

I like her a lot and want to carry on seeing her, but now I fear she thinks I'm impotent.

What can I do?

LF, Berkshire

Kelly says…

CLOSE your eyes and go for it doggy-style.

I was willing star in my hubby's fantasy sex vid

Dear Kelly,

MY husband filmed me having sex with him and two fellas we pulled in a nightclub last week.

It's been his fantasy for a while and I agreed to make it a reality for his 40th birthday.

I'm 38, blonde and busty with a good body, so I had no problem finding a couple of willing lads in their early twenties.

We took them back to our place and my husband filmed as I sucked these lads off.

They then took it in turns to f**k me before my hubby gave me a good seeing to.

The thing is, these lads now want to see me behind my hubby's back.

I'm tempted. Any advice.

JE, Lancs

Kelly says…

GO for it. Your husband had his fun, now you can have some too.

Telly addict hubby loves to copy sex antics on shows

Dear Kelly,

MY boyfriend is getting me down – he watches way too much telly and what he sees on the box he always likes to put into practice in real life.

Take this for example. There was a game show on where, if you won, you got a chance of either cash or opening a box.

And when it was finished, he insisted on asking me a couple of questions.

They were so hard I got them all wrong wrong, but he still said I had won and that I could have the money or open the box.

And then he offered me ONE POUND.

Confused and not really understanding what it was all about, I said I'd open the box.

The next thing I knew, he had me naked in the bedroom and there I was pulling my pussy lips wide open so he could see all the way into my love box.

And, boy, did he look!

He said it was his prize and he stared into my tunnel of lust for what seemed like ages before getting down on all fours and licking the length of my slit.

After wriggling his tongue in and out of my slippery hole for a while, he concentrated on my hard little clit – bringing me to a shuddering orgasm.

Thrusting

Then it was his turn to claim the rest of his prize and he was soon on top of me and thrusting his fat, trembling dick into me until I felt him orgasm in waves of wild passion.

Another time, there was this play on the telly about a woman who made it with another lady, so he had me looking for a woman to have lesbo sex with.

I never did find one because he wanted a really fat one like he had seen on the TV and, sorry, fat people just don't turn me on.

Now I wouldn't have minded having a go at a fit babe like one of the typical *Midweek Sport* glamour babes, that would have got my juices flowing.

But no, he insisted it had to be a fat bird and we ended up having a massive argument about it.

Well, this sort of thing goes on all the time and I'm getting fed up with it.

I mean, it can be a lot of fun sometimes but at other times his daft demands get on my tits.

Have you got any suggestions?

HT, Essex

Kelly says…

SUGGEST he next chooses a hunk of a bloke off the telly and he'll soon go off the idea.

I had horny threesome with wife and best pal

Dear Kelly,

I HAD a threesome with my missus and her best pal the other week.

They had been on a girls' night out to see a male stripper group and when they got back to our place they were a bit tipsy – but VERY horny!

The pair of them told me all about the big dicks they had been slobbering over all night and then started ripping my clothes off.

But I wasn't going to complain, as my missus sucked me off while her sexy friend hitched up my wife's short skirt and started licking her out.

It wasn't long before I shot my load down her throat, while her pal brought her to a shuddering orgasm.

Throbbing

They then lay me down on the floor and the pair of them got to work bringing my cock back to hardness.

My wife carefully lowered herself onto my throbbing nine-incher and her mate placed herself carefully behind, so she could lick my balls and finger my missus up the arse as she rode me.

I ended up giving both of them a good piping all night and I must have shot my load five times.

But now my wife wants to have another threesome, but this time with me and another BLOKE.

How do I tell her I'm not interested?

VD, Dorset

Kelly says…

WHY not try it, just to see if you like it or not.

Dear Kelly,

I'VE been a happily married man for the last 15 years – until the firm I work for employed an 18-year-old girl apprentice.

We work quite closely together on admin and out of the blue she asked if I was married.

Bizarrely, I told her, "No".

Then later on that same day, she followed it up with an invite to her flat that she'd been sharing with a mate – who moved out last week.

She didn't fancy an evening at home alone, so she suggested we grab a takeaway after work and head off to her place.

As I drove us there, her hand slipped between my legs, which just sent my dick rigid.

She toyed with it until we got to her place, at which point she dragged my pants down and gave me the most amazing wank and blowjob I'd had in years.

It got me up for more and after shagging her, I went home and did the wife, too.

But all the time I was feeling terribly guilty about how I'd treated both of them.

What shall I do?

GF, west Midlands

Kelly says…

YOU know you shouldn't have gone anywhere near this girl. Drop the randy teen.

HOLLY McGUIRE

By SIMON DEAN
simon@sundaysport.co.uk

STUNNING Holly McGuire was born Victoria Louise Yallop in Orsett Hospital, Grays, Essex, on Sunday, April 23 – St George's Day – back in 1978.

At the age of two, her family emigrated to New Zealand and then moved to Australia.

But when her mum got homesick, the family moved back to Britain…only to move BACK to Australia again in 1988!

By 1991, finally they came home permanently to England, not before taking their Australian citizenship – so Holly has dual UK Australian rights.

After graduating as a fashion designer from university in 1998, at a time when she was only modelling for friends at college, she was scouted at London Graduate Fashion Week while showing off her own collection, and was signed to the prestigious Samantha Bond Modelling Agency.

After swimwear modelling, she made the natural progression to Page 3.

Holly was a darling of the lads-mags but had her true following among millions of *Sport* readers who weekly sent her sackloads of fan mail.

But Holly's a lot more than just a glamour model.

She's a talented singer and signed a deal with Universal Records and even appeared on the popular telly series *Footballers' Wives*.

HOLD onto yer hats...and anything else that comes to hand...cos we've got a real treat for you today!

Every Sunday Sport reader who goes along to a Private Shop this week will get not ONE, not TWO but **THREE FREE** sex films on DVD!

Amazing, right? Amazing but true! Britain's leading chain of sex shops is working in partnership with your favourite newspaper to bring you the sort of offers you're really interested in.

In every issue of the *Sport* will bring you a new offer, be it free DVDs and toys or unbeatable money off offers.

Amazing

To get your copies of *Wet & Juicy*, *Czech This Out* and *2's Company, 3's A Crowd* all you have to do to collect your FREE XXX sex films is turn up at one of the Private Shops listed on this page with a copy of the *Sport* (any edition will do). And don't worry, there is no minimum purchase and no hidden charges!

This amazing triple bill, which comes on one disc for your convenience, is jam- packed with full-on sex from some of the hottest young talent in the business.

But be warned, this is not faked sex but actual footage of horny young people having actual penetrative sex to completion.

And remember, it's 100% FREE when you call in at your local Private Shop.

If you can't make it to one of the shops then you can still get your films by using the credit card line or by using the coupon below.

But don't mess about, this offer won't be around forever...we can't afford it, for one thing!

And don't miss another amazing offer in Friday's *Weekend Sport*.

#MY SEX FANTASY

Give me an anal pounding and tweak my nipples... I'll explode!

...WITH JENNY McCLAIN, 28 36F-26-36 FROM HULL

I HAVE to confess... I'm a huge fan of anal sex! Love a bit of bum fun, me!

A finger up there feels so good. Get plenty of lube going and gently slip it in... feels so sensual!

I love to play with my clit at the same time, then after a while I'm ready for a cock in my arse.

It needs to be real slow at first, it's painful if the bloke just lobs it in and goes for it.

But with lots of lubrication and a build-up, I can then take a good pounding!

Tweak my nipples at the same time, then I'm guaranteed to explode!

I have never been doubly penetrated by two men, but I think I'd love it.

I've tried it with one of those strap on things from Ann Summers – where it attaches to your fella's willy and he enters you either front ways or anally and the dildo fills the other hole.

It made me cum for Britain.

I think it's horny because it feels very naughty and a bit wrong!

SHOW ME THE HONEY!

WELCOME to your interactive *Midweek Sport* – where YOU get to choose the stunnas appearing on these pages!

That's right fellas, we publish sexy snaps of the babes you most want to see – TOPLESS or even NAKED.

Every Wednesday, *Show Me The Honey* features the cute curves of the glamour girls you're clamouring for. This service – UNIQUE to British newspapers – is totally FREE!

All you have to do is drop us an email to *request@sundaysport.co.uk* telling us why you want to see your favourite girl, then sit back and let us do the rest.

HANNAH KAY

LONDON lovely Hannah Kay would stop any bloke in their tracks – and for traffic warden Tim Atkinson, there's no girl quite like her.

The 25-year-old Stepney babe's sweater-stretching 34F bust was picked out by Tim, 34, from Croydon and he says she's got the best pair he's ever seen.

He said: "Hanna's rack is top notch and I'd love a new snap of her to add to my collection – I keep all of her pics!

"Could you dig out a shot of her in all her glory and print it for me please? She's the best looking girl I've ever seen."

BROOK WRIGHT

GLAMOUR babe Brooke Wright has been anatomically blessed with a fine pair and Tom Linton begged us for an ogle at 'em.

Tom, 28, from Liverpool, is an IT analyst and his job means he's away from home a lot – but he keeps a stash of 25-year-old Hull stunna Brook's 34DD topless snaps on hand in case he gets horny.

He said: "Hull girls are some of the best but when I'm away it can get lonely so I always stock up on snaps of Brooke.

"I take a stash of her pictures with me when I work away but I could do with a fresh new photo to add to my pile!"

CARMEN GEMINI

CURVY Carmen Gemini is shop worker Dean Langley's number one pick.

The 30-year-old's 34C bust has been on Dean's mind ever since he first clamped eyes on them.

The Brummie, 34, said: "She is my dream girl. I think about her all the time."

Haven't seen your fave model for a while? Drop us a note and we'll put her in the paper! Email request@sundaysport.co.uk

XXX DVD of the week

BORED GRANNIES!

Britain's Bored Housewives Double Feature 1 is over four hours of fed-up grannies spicing up their lonely afternoons with a lot more than just housework!

As you know, an older housewife's lot is often not a happy one, but boredom is soon forgotten when the first young c*** springs to attention!

Rammed

They may have a few years on the clock but it's experience that counts and they enjoy these young studs as if it were the last f*** of their lives.

JAPAN A TEST FOR ENGLAND

ENGLAND need to avoid defeat against Japan in Nice in their final Group game to top their group and play their last 16 knockout tie in Valenciennes on Sunday afternoon (4.30 kick-off).

Japan failed to break down a stubborn but limited Argentina in their opening goalless draw although they were good value for their 2-0 half-time lead against Scotland in their last game.

They ran out of steam in the second half though and Scotland deserved their late goal although it was nothing more than a consolation.

England, at the time of writing, are out to 7/1 with BetVictor to lift the Trophy after two disappointing performances but good results against the Scots and Argentina.

We will know more about their prospects after their game against Japan this evening and the Lionesses are 21/10 to make it three out of three with Japan 3s and the draw at 11/5.

They are 2/9 to top Group D which would be job done regardless of how well or otherwise the Lionesses have played in France so far.

The game is a rematch of the 2015 semi-final which Japan won and I think Phil Neville's side would settle for a draw now.

Changes

Japan are 4/5 at BetVictor on the double chance—to either draw or win — and I feel they will avoid defeat in Nice.

The Japanese side are a tougher nut to crack than the Scots and are 13 places ahead of the Tartan Army in the world rankings.

But they are more ones for the future you feel given that 17 of the 23 players in the squad are at their first World Cup finals.

That could explain how they were held to a draw by a stubborn Argentina in the first round of group matches.

It will be interesting to see how many changes boss Neville makes from the team that beat Argentina given England are not through yet. He could be tempted to keep Jodie Taylor up front after her winner last time and thanks to her excellent record in tournament football for the Lionesses.

I felt Japan striker Yuika Sugasawa was outstanding in the first 45 minutes against the Scots but – like the rest of her team – ran out of petrol in the second half.

She is 7/2 to find the back of the Lionesess net this evening with BetVictor and that might be too big although I don't expect a goal-fest.

The French public have not yet got behind the tournament apart from when the hosts are in action with the Fan Zones sparsely populated.

Let's hope that trend is bucked when the competition reaches the knockout stages.

PROPER VILLAN: Grealish with boss Dean Smith

Jack alright for Spurs transfer

TOTTENHAM READY TO OFFER VILLA ACE MEGA MOVE

By PAUL THOMAS

TOTTENHAM are ready to make a move for Jack Grealish as they look to replace Christian Eriksen.

The Dane has told the Spurs boss he wants a new challenge this summer.

And Mauricio Pochettino is looking for TWO players to slot in where Eriksen has been playing.

Aston Villa star Grealish is top of the shopping list alongside Argentina playmaker Giovani Lo Celso.

Spurs know it will be tough to get Grealish away from his boyhood club who have just earned their place back in the Premier League. But he could have his head turned by the promise of Champions League football in the new White Hart Lane.

Tottenham have been trying to get the 23-year-old for the past 18 months.

Spurs are due to meet Villa on the opening day of the season and the Londoners' midfielder Harry Winks would clearly love to be lining up alongisde Grealish instead of against him.

He said: "I've played with Jack for England and he is a good friend of mine.

"He's a very good player and someone who can win a game on his own so we'll have to be wary of that. We'll give Villa full respect."

Pochettino hasn't given up hope of keeping Eriksen as there hasn't exactly been a stampede to sign the 27-year-old.

He has been at Spurs for the past six seasons since moving from Ajax, scoring 66 with 86 assists in his 277 appearances.

Takers

Paris St Germain have been linked with him but they are thought to prefer Philippe Coutinho in the same position.

So Tottenham will put a new deal worth £200,000 a week on the table making Eriksen on a par with Harry Kane at the Lane.

He could choose to sit out another season and then leave the Londoners on a free when there would be no shortage of takers and big wage offers.

Real Madrid is thought to be his dream destination but the Spaniards have not shown signs of making a move yet.

There has even been talk of Manchester United entering the bidding for the £80m man.

But reports from Eriksen's camp suggest he is not interested in signing for another Premier League side and wants to play in the Champions League.

PLEASE TAKE ME BACK

Coutinho wants Kop reunion

PHILIPPE Coutinho will turn down other Premier League offers — so Liverpool can sign him back.

The Brazilian midfielder is desperate to end his nightmare time at Barcelona but won't move to one of the Reds' rivals. Reports in Spain suggest that he will hold out as long as he can in the hope that Jurgen Klopp comes calling.

Coutinho blotted his copybook at Anfield by agitating for a move to the Nou Camp, which eventually happened in January 2018.

By JOHN ANTHONY

Liverpool accepted a deal worth £142m but much of that money comes from bonuses and add-ons that are not likely to be triggered.

It means the Reds could get Coutinho back for a fraction of that fee with Paris St Germain also sniffing around.

But they would have to offer much more than the Champions League holders because of all the outstanding money.

The playmaker has gone a long way to repairing his relationship with the Kop by making it clear that he would NEVER sign for rivals Manchester United out of respect for Liverpool fans.

He has been in sparkling form for Brazil who played him in his best central position against Bolivia in the Copa America at the weekend.

NO DEAL: Solskjaer

He rewarded them with two goals to show what he could do if getting away from Barcelona where he was playing out of position as a winger.

The snag for the 27-year-old is that Klopp is not thought to want him back in his squad.

And former Anfield ace Neil Mellor agrees that Liverpool have been a better side without Coutinho.

He said: "I think Coutinho was a great player for Liverpool and I really did enjoy watching him.

"He had creative influence to make things happen and of course, I was disappointed when he left.

"Leaving for Barcelona for whatever reason, he hasn't shown the same quality at Barcelona that he did at Liverpool.

Competing

"One of the biggest compliments that you would give the current Liverpool side and Klopp, is that they didn't really miss Coutinho.

"They went from competing for the top four to competing for a title without Coutinho and won the Champions League.

"He was a great player for Liverpool and loved watching him, but he hasn't been missed."

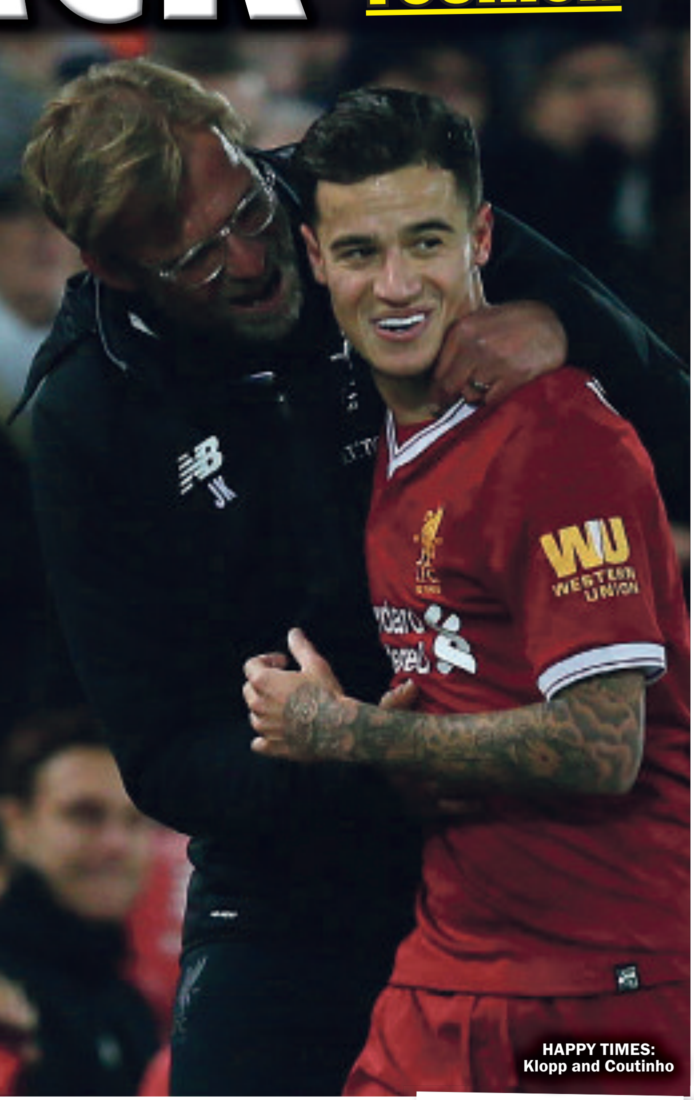
One Barcelona player that Klopp definitely does like is Ousman Dembele.

He's another who hasn't really settled at the Nou Camp since moving from Borussia Dortmund in 2017 for £90m.

But he still score 14 goals last season despite limited chances.

Klopp said: "Is Dembele on the market? Now I'm interested."

At just 22, he would fit in with Liverpool's transfer strategy and around £80m could seal the deal.



HAPPY TIMES: Klopp and Coutinho

ATLETICO MAD ON WILLIAN

ATLETICO Madrid would like Willian to help them replace Antoine Griezmann.

By ANDY MILLOM

The Spaniards are losing their star centre-forward with Barcelona in the driving seat for a £100m deal.

And they want to use some of that cash to pay Chelsea £30m for the 30-year-old.

He was in and out of the team last season under Maurizio Sarri and the Blues would usually be happy to cash in.

But they don't want him to leave because of the transfer ban stopping them signing new players this summer unless they win their appeal.

Eden Hazard has already gone to Real Madrid and it would be a massive blow to lose another of their experienced forwards.

Willian is still good enough to hold down a place for Brazil and is with the national side at the Copa America. But he is entering the final 12 months of his contract.

Chelsea want to offer Willian a two-year extension to his deal to keep him out of Atletico's clutches. There have also been rumours about Barcelona making a bid but they already have plenty of options in attack.

The Catalans have tried to buy Willian before and had bids worth £55m turned down last summer.

They came back in January but again it was no deal.

One player who is leaving Stamford Bridge is striker Martell Taylor-Crossdale.

He won the Premier League golden boot at under-18 level but decided not to commit his future to Chelsea.

He has joined the exodus of young talent to Germany and is signing for Hoffenheim where he believes he will get more first-team opportunities.

Taylor-Crossdale hopes to follow in the footsteps of Jadon Sancho who has been a massive hit with Dortmund, while Arsenal loaned Reiss Nelson to Hoffenheim where he made 23 appearances last term.

He is now in the England squad for the under-21 Euros in Italy.

TARGET: Willian

No2: Ljungberg

Freddie ready to boost Gunners

FREDDIE Ljungberg believes his knowledge of Arsenal will be a major asset in his new coaching role at the Gunners.

The Swede is stepping up to be No2 to Unai Emery with Steve Bould taking over the under-23 side.

Ljungberg was a key part of Arsenal's famous "Invincibles" who went through a whole Premier League season unbeaten in 2003-04.

He has been running the club's under-16s and thinks this is a good time to step up and work with the senior side.

The 42-year-old Swede said: "I'm really excited by this opportunity to continue helping develop and work with some of the great young players we have coming through in the first-team environment and to work alongside Unai and his coaching team to help Arsenal win trophies.

"I can't wait to get the new season started and help give back to the club that gave me so much."

Bould says he is happy to move away from the first team to manage the under-23s.

He said: "We have great young players and my job will be to help them maximise their potential."

Nemanja the man for Toon

NEWCASTLE could make Nemanja Gudlj the first signing of their new ownership era.

Sheikh Khaled is thought to be on the verge of buying the Toon from Mike Ashley.

And that will release transfer funds for the manager — whoever that is with Rafa Benitez out of contract.

Gudelj may not be a household name but he has 22 caps for Serbia and is a combative midfielder.

He is currently on the books of Chinese side Guangzhou Evergrande but is thought to be interested in the move.

He is reportedly willing to take a cut on his £100,000 a week wages to leave China and move to the Premier League.

Turks Galatasaray and Fenerbahce are also being linked with the 27-year-old.
